

Karaoke Set Referral Scheme

Having enjoyed the fantastic features of this set, you may like your friends to own one too. You will also be rewarded with a token of a 10% referral fee and your friend would get a free updated disc when it becomes available. You are also entitled to one too.

How does the Referral Scheme work?

The following FAQ would help to answer your queries. If still in doubt, please email us.

Who can participate in this scheme?

Anyone who had purchased a Karaoke set from us on-line.

How many people can I refer?

You may refer as many people as you can, each person qualifies you to a 10% rebate, with 10 referrals you practically get your set free of charge.

What is considered a successful referral?

The referral is considered successful if the purchaser does not return it within the 7 days 'satisfaction assurance' period for a refund. Properly submitted referrals are only eligible for the rebate.

How does my friend benefit from my referral?

Your friend would get a free updated disc when it becomes available. You are also eligible for one too upon request.

What information is required for the referral?

Your friend would have to furnish your name and email address which you used in your previous purchase. We will match it with that you had given us during your purchase and contact you to verify.

When can I get the rebate and how?

When the referral is successful (see above), we will arrange with Paypal within 2 weeks to refund the amount to your Paypal account.
